

ISWAN for Seafarers - the free mobile app

The Shipowners Club, the leading mutual P&I insurer in the smaller and specialist vessel sector, has partnered with the International Seafarers' Welfare and Assistance Network (ISWAN) to develop a free mobile app - ISWAN for Seafarers.

Eager to help better the lives for all seafarers and their families, we have produced a free mobile app that brings help, information and support for seafarers around the clock, along with confidential 24-hour helplines.
